

TO: All CDC Families

FROM: Dr. Scott Cartwright, M.D. | Director of Medical Services

SUBJECT: New Mask Mandate

DATE: September 2, 2021

Child Development Centers, Inc. is committed to ensuring a safe environment for your child. In complying with state mandates, we have continuously persevered throughout the COVID-19 pandemic.

Due to the current surge in cases and the Delta variant, the Pennsylvania Department of Health has mandated that beginning **September 7, 2021**, every person, including all staff, visitors, parents, outside service providers, and **children 2 years of age and older** wear a mask while in our centers regardless of vaccination status. In compliance with this mandate, we ask that you please send your child to our centers with a mask beginning next Tuesday, September 7.

For more information regarding this mandate, please contact the PA DOH at (877) 724-3258 or visit the following link: <https://www.education.pa.gov/Schools/safeschools/emergencyplanning/COVID-19/SchoolReopeningGuidance/ReopeningPreKto12/MaskingOrder/Pages/default.aspx>

Thank you for your continued cooperation as we work to maintain the health and safety of all children and staff across our centers!
